Apple has release the iOS5 , for iPhone 4 and iPhone 3Gs user if you had your iPhone unlocked before, and want to keep your iPhone unlocked, please do not update to iOS 5 yet, at this moment right now has no Untethered Jailbreak and Unlocking Solution yet.

if you did updated by mistake for your Unlocked iPhone 4 or 3Gs , and want to downgrade it back to the older version, yes that is possible, before do that you need to **BACKUP YOUR DATA** first :

iPhone 4 iOS5 Can be downgrade to iOS 4.3.5 (Untethered Jailbreak **NO** , Software Unlock **NO**

, unlock with GEVEY SIM

YES

) cost \$30.00

iPhone 4s, iPhone 4, iPhone 3Gs , iOS5 release now
