iOS 4 Software Update

Apple has release the firmware 4.0 for iphone 3Gs & 3G , We can now Unlocked the iphone 3G Not with the 3Gs New Boot Rom yet with firmware 4.0 . if you got the Old Boot Rom We can Still Unlock & Jailbreak it for your 3GS 4.0 firmware, will also jailbreak for your iphone once we get it unlock,

Before send your iphone to Unlock, please back up all your information that you need to keep on your 3G iphone. We need to make a custom file to flash for your 3G iphone, We will not response for any of the data lost.

All the process takes about 1 hour , cost **\$30.00**

See store for detail. [Click here for more other firmware](#)
